EXECUTIVE SUMMARY

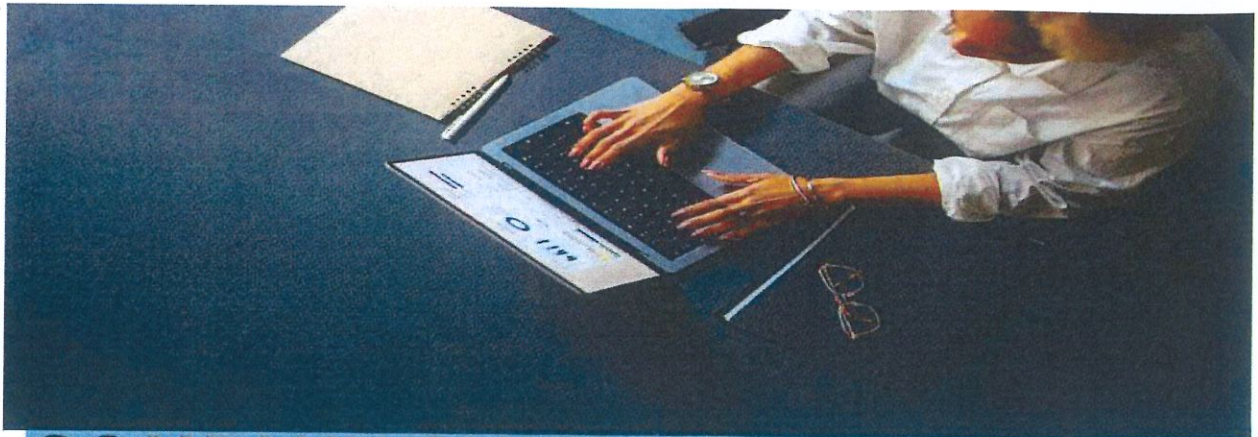

Hetch Solutions Enterprises Limited otherwise known as Hetch Solutions is a dynamic and innovative company specializing in the provision of comprehensive solutions in the fields of Information and Communication Technology (ICT), construction, engineering, and mining. We strive to deliver high-quality products and services that meet the evolving needs of our clients timeously.

Established as Bits & Bytes Technologies in 2018, it was renamed Hetch Solutions Enterprises Limited in 2023. We have evolved into a dynamic and innovative company specialized in providing a wide range of services in the field of information and communication technology (ICT) particularly in construction, engineering, and mining. Hetch Solutions has grown to become a prominent player in the industry accounting for a fair share and continues expanding its market presence.

With a strong foundation, keen focus on innovation, customer satisfaction and a commitment to excellence, Hetch Solutions offers a diverse portfolio of cutting-edge solutions tailored to meet the evolving needs of clients across multiple sectors.

Our team of highly skilled professionals possesses extensive experience and expertise in

their respective domains, enabling us to deliver outstanding results for our clients.

COMPANY OVERVIEW

Hetch Solutions Enterprises Limited is a forward-thinking, multi-disciplinary company providing innovative, sustainable, and technology-driven solutions across various industries. With a strong footprint in Information and Communication Technology (ICT), engineering, construction, mining, and general supplies, we pride ourselves on being a one-stop partner for smart and scalable solutions.

Born from a legacy of excellence under Bits & Bytes Technologies, Hetch Solutions has evolved into an independent powerhouse, recognized for its commitment to quality, agility, and customer satisfaction. Our growth has been fueled by a passion for innovation, a client-first mindset, and a team of highly skilled professionals dedicated to exceeding expectations.

We are equipped with both technical and financial capacity to handle large-scale projects and bulk procurement contracts with precision and speed. Our integrated service model enables us to seamlessly deliver tailored solutions that meet industry demands and client goals.

At Hetch Solutions, we don't just provide services—we build partnerships that drive progress.

ICT Solutions

With an IT team comprising highly skilled professionals dedicated to building systems that not only meet industry standards but also enhance productivity and scalability, we offer comprehensive Information Technology (IT) services designed to empower businesses with the latest innovations, streamlined operations, and secure digital infrastructure.

We provide both tailor-made IT solutions, customized to the specific needs of each client, as well as reliable off-the-shelf software and hardware products suitable for immediate deployment.

Core IT Services

- Network Infrastructure Design & Management
- Hardware & Software Supply and Installation
- Cybersecurity & Risk Management
- Website & Mobile App Development
- Data Backup, Storage & Cloud Solutions
- ICT Consultancy & Support Services
- CCTV & Biometric Access Control Systems

Our Capabilities

- Certified IT professionals with multi-sector experience
- Partnerships with Micro Instruments - RSA, Commando Networks LLC
- 24/7 customer support (remote and on-site)
- Integration of business systems tailored to client operations

Tailored Digital Solutions

Our development process is focused on crafting innovative, tailor-made IT solutions that meet unique business needs. Whether you're looking to automate workflows, launch an e-commerce platform, or secure your data, our custom-built systems provide flexibility and performance. We also maintain a catalog of off-the-shelf IT solutions for clients requiring quick deployment without compromising quality or efficiency.

Heating, Ventilation Air Conditioning

We specialize in providing reliable and energy-efficient HVAC (Heating, Ventilation, and Air Conditioning) services tailored to meet residential, commercial, and industrial needs. Our team delivers expert solutions that ensure optimal indoor air quality and climate control all year round.

Our HVAC Services Include:

- Air Conditioning Installation & Maintenance

Efficient cooling systems for homes, offices, and commercial spaces.

- Heating System Installation & Repairs

Reliable heating solutions including furnaces, boilers, and heat pumps.

- Ventilation Systems

Design and installation of ventilation systems for better air quality and circulation.

- HVAC System Design & Consulting

Custom system planning for energy efficiency and performance.

Ductwork Installation & Cleaning

Professional ductwork layout, installation, and routine cleaning.

- Refrigeration Services

Commercial refrigeration systems for cold storage and food preservation.

- Smart HVAC System Integration

Automated and IoT-enabled systems for modern energy management.

- Preventive Maintenance Programs

Scheduled inspections and servicing to extend system lifespan and reduce downtime.

Why Choose Our HVAC Services

- Certified HVAC engineers and technicians
- Energy-efficient, eco-conscious system designs
- Fast, reliable service and maintenance support

WHY CHOOSE US?

we aim to provide faster response times, more personalized solutions, and a higher level of customer satisfaction.

Customized Solutions: We understand that every client is unique, and we are committed to developing tailored solutions that align with their goals and challenges. Our team of experts will work closely with clients to understand their specific requirements and design customized strategies that deliver measurable results.

Innovation and Technology: Hetch Solutions stays at the forefront of technological advancements, leveraging the latest tools and solutions to provide cutting-edge services. We constantly explore new ideas, innovative approaches, and emerging technologies to ensure that our clients benefit from the most advanced solutions available in the market.

Expertise and Experience: With a team of highly skilled professionals, Hetch Solutions possesses extensive industry experience and a diverse range of expertise. Our experts bring in-depth knowledge, best practices, and a commitment to excellence to every project, ensuring successful outcomes and exceeding client expectations.

Quality and Timeliness: We prioritize the delivery of high-quality solutions within agreed-upon timelines. Our project management processes, quality control measures, and attention to detail ensure that projects are completed on schedule, adhering to the highest standards of quality and safety.

Our Partners

At **Hetch Solutions Enterprises Limited**, we understand that delivering world-class solutions requires collaboration with globally respected and innovative technology providers. Through strategic partnerships, we ensure access to cutting-edge products and specialized systems that meet the highest standards in reliability, safety, and performance across telecommunications, industrial automation, networking, and fibre optics.

1. Micro Instruments

Micro Instruments supports our mission with high-precision instruments, measurement systems, and technical support that empower industrial and telecommunications applications. Their tools enable us to maintain accuracy, safety, and efficiency in the deployment of advanced infrastructure.

2. COMMANDO – Networking Solutions

COMMANDO is a forward-thinking technology company focused on building next-generation networking infrastructure. Through this partnership, we supply durable and scalable networking products such as industrial switches, PoE solutions, and fibre media converters, enabling seamless connectivity for both enterprise and industrial clients.

3. JOIWO – Industrial VoIP and Emergency Telephones

In collaboration with JOIWO, we offer a comprehensive range of communication devices tailored for harsh and mission-critical environments. Their portfolio includes:

- **Industrial VoIP telephones**
- **Weatherproof and explosion-proof telephones**
- **Jail and emergency call phones**

These systems are ideal for factories, transportation hubs, correctional facilities, and hazardous industrial zones.

4. J&R Technology – Rugged Communication Systems

J&R Technology brings high-performance weatherproof and vandal-resistant telephones designed for reliability in extreme environments. Our partnership ensures our clients benefit from:

- **Public safety and emergency telephones**
- **Hands-free and VoIP-enabled industrial units**
- **High ingress protection standards (IP65/IP67/IP68)**

Used globally in tunnels, metros, offshore platforms, and refineries, J&R's technology aligns perfectly with our goal of deploying durable infrastructure.

5. RJ Connect – Fiber Optics, Splice Solutions & Industrial Networking

Through our valued partnership with **RJ Connect**, we deliver advanced solutions in **fiber optic communication, industrial networking, and connectivity accessories**.

RJ Connect's offerings include:

- **Fiber Splice Boxes & Patch Panels:** Engineered in Germany for high-density applications and optimal signal integrity.
- **Industrial Edge Computing & Modular Panel PCs:** Designed to withstand harsh conditions while enabling smart data processing at the edge.
- **Secure Industrial Networking:** Featuring Moxa's cyber-secure routers, switches, and serial device servers, ensuring resilient communication in industrial IoT environments.
- **5G & LoRaWAN Industrial Gateways:** Enabling remote telemetry, edge automation, and seamless data integration with cloud services.
- **Accessories:** Including DIN rail power supplies, connectors, cables, and fiber management tools essential for structured deployments.

RJ Connect's solutions empower our fiber optics division to deliver robust, scalable, and intelligent infrastructure for modern networks.
